UTILITIES BOARD

IN RE:	
REVIEW OF ELECTRIC INTERCONNECTION OF DISTRIBUTED GENERATION FACILITIES RULES [199 IAC CHAPTER 45]	DOCKET NO. RMU-2016-0003

APPEARANCE OF ITC MIDWEST LLC

On July 22, 2016, the Iowa Utilities Board (“Board”) issued an “Order Commencing Rule Making” in Docket No. RMU-2016-0003. The Board sought comments in an August 8, 2016, Order regarding the proposed changes to the standard forms and agreements and the proposed pre-application and supplemental review process, to be filed concurrently with a commenter’s statement regarding the proposed amendments to chapter 45. As the Chapter 45 rules are not directly applicable to ITC Midwest LLC (“ITC Midwest”), it does not have comments. Because the rules may have indirect impacts on ITC Midwest, however, ITC Midwest intends to monitor the docket and may provide reply comments, participate in any subsequent workshops, or comment on any rules that are subsequently formally proposed. Accordingly, ITC Midwest respectfully requests that it be added to the service list in this docket.

Respectfully submitted this 6th day of September, 2016.
